[Log In Help](#)

The standard login will be available for a short time. Nothing new with this process.

Login Form [X]

Username:

Password:

[Forgot password?](#)

SSO login starts with your company email address.

FLOWSERVE

Sign In

Email

If you are already logged in to the Flowserve network, you should be recognized and do not need to enter any additional credentials.

If you are not recognized, you will be prompted to enter your **Flowserve username and password**.

Affinity Registration Form

Please provide us with some information about yourself.
